

# Commemorating 50 years since the first Moon Landing

## TastroFest Taster

TastroFEST is Tasmania's Astronomy Festival held in Ulverstone on 1-3 August. It is the largest astronomy festival in the country. This year they are celebrating the 50th Anniversary of the Moon Landing. TastroFest is visiting TMAG to give our visitors a small taste of what's on offer.

### Your Own Giant Leap

Become part of history by strapping on an Astronaut's boot and leaving your footprint for all to see. Add your small step or your giant leap to a large art work that will be on display at this year's TastroFEST.

### NASA Memorabilia

Get a taste of TastroFEST by viewing some NASA memorabilia, including genuine items from two space shuttles and a Buzz Aldrin signed model of the Apollo 11 command module.

 Centre for Learning and Discovery

 10:00 am – 3:00 pm

**Sunday, 21 July 2019**  
**10:00 am – 3:00 pm**

Free admission  
Dunn Place, Hobart

TASMANIAN  
MUSEUM &  
ART GALLERY

 **Sunday, 21 July**  
 **10:00 am – 3:00 pm**

# DISCOVERY DAY

Commemorate the 50th Anniversary of the Moon Landing at TMAG! Learn about this historic event and join in some out-of-this-world activities.

Discovery Days at TMAG provide an opportunity for families and visitors of all ages to enjoy a Sunday of interactive activities and special interest sessions.

## Moon Movie Dome

Come on a journey to the moon in a giant inflatable movie dome! You will learn about the cycles of the moon and the history of lunar exploration as well as the challenges faced by the scientists and engineers who want to make the journey back to the moon for good!

 **Courtyard**

 **Rolling screenings throughout the day**

 **10:00 am – 3:00 pm**

 **All children under 12 years must be accompanied by an adult. Shoes to be removed before entering.**

## Moon Landing re-enactment

What does it take to get to the moon and back? Re-enact the week long journey of science, discovery and adventure. Discover how to get to the moon, how to sleep and eat in space and learn what the astronauts did with their poo!

 **Central Gallery**

 **11:00 am, 12:00 pm and 1:00 pm**

 **20 minutes**

## Moon Life

How did the moon form? Was there ever life on the moon? How does the moon affect life on earth? Find out more in this hands-on program about the moon's connections with our living planet.

 **Earth and Life gallery**  
**Henry Hunter Galleries, Level 1**

 **10:00 am – 3:00 pm**

**Sign up for our TMAG e-newsletter and receive information about Discovery Days and our School Holiday program in advance.**
