### Current Exhibition: The Remarkable Tasmanian Devil

---

Gain a fresh perspective on Australia's largest marsupial carnivore, the Tasmanian devil, in TMAG's exciting exhibition *The Remarkable Tasmanian Devil*.

Through exploring aspects of devil biology, ecology and behaviour, learn why the devil has endured when Tasmania's other large predator, the thylacine, succumbed within 150 years of European arrival.

*The Remarkable Tasmanian Devil* shows that the devil is a unique species, integral to Tasmania's ecological and cultural landscape – and will alter your perceptions of this extraordinary Tasmanian animal.

***The Remarkable Tasmanian Devil* is on show at TMAG until 6 May 2018.**
