# School Holiday Program

## Week One: 14 – 18 January

Free, drop-in sessions designed for ages 7+, plus activities for kids aged 0–6 with a carer.

Visit TMAG in the first week of the January school holidays for *Digging for Dinosaurs*.

### Fossil Secrets

Ever noticed fossils in rocks? Grab a magnifying glass and find out more about Tasmanian fossils from the icy Permian Age, millions of years ago with UTAS geologist, Tristan Wells.

 14 – 18 January

 11:00 am – 2:00 pm

 Drop-in (no bookings required). All ages.

 Watergate entrance

### DIY Volcano!

Have a go at making your very own erupting volcano and get up close to real rocks, formed by lava from the Earth's crust.

 16 and 17 January

 11:00 am – 2:00 pm

 Drop-in (no booking required). Ages 5+.

 Courtyard

### Dig-a- Dino

Help excavate a dinosaur and learn about the different species you will uncover in our dino pods. Learn about grid referencing and how to identify a dinosaur cast, with Palaeo-astronomer, Brittany Trubody.

 14 and 15 January

 Two sessions, daily

 11:00 am - 12: 15 pm and 12:30 pm - 1:45 pm

 Drop-in (no bookings required). Age 7+.

 Centre for Learning and Discovery

### Early Learners

Enjoy a range of dino-games, books and making activities with your parent or guardian in our Dino Nest area daily, 10:00 am to 4:00 pm.

 Central Gallery

---

### Meet Rosie the Raptor

---

Learn about the behaviour and features of a Utahraptor with a life-size puppet.

(*Dinosaur rEvolution* ticketholders can take photos with Rosie daily in the exhibition.)

 14 – 18 January

 Two 20 minute sessions, daily

 11:30 am and 12:30 pm

 Recommended for age 5+.

 Central Gallery

---

### Drawing for Science – Sketch a Fossil

---

Learn how to create beautiful and accurate drawings of fossils with scientist, taxonomist and keen illustrator Brita Hansen.

 16 January

 Two sessions, daily

 11:00 am – 12:15 pm and  
12:45 pm – 2:00 pm

 Places limited to 15 per session, please book in on the day. Age 7+.

 Centre for Learning and Discovery

---

### Birds – the last surviving dinosaurs?

---

Are birds dinosaurs? How are they alike? How are they different? Get hands-on with beaks, bones, scales, feathers, nests and eggs, and prepare to make some noise.

 17 and 18 January

 11:00 am – 2:00 pm

 Drop-in (room limits will apply). All ages.

 Centre for Learning and Discovery
