School Holiday 14 - 17 April 2015 Program

Visit the Tasmanian Museum and Art Gallery (TMAG) during the April School Holidays and join in our exciting program which is all about inventions and inventing. Explore TMAG's collections and meet some of the people who work at the museum.

Fun, free and suitable for all ages – no bookings required.

Drop in any time between 11:00 am and 2:00 pm.

Tuesday, 14 April

Natural Know-How

Discover how plants and animals developed Velcro, sonar, paper and many other inventions long before humans did.

Location:
Earth and Life Gallery

Island Innovators

How did Tasmanian Aboriginal people survive an Ice Age and develop a sustainable culture that is still strong today? Join TMAG's Indigenous Cultures Officer to find out.

Location:
Central Gallery

Wednesday, 15 April

Radical Recycled Robots

Get inspired by the art of Patrick Hall from the exhibition *Things I Once Knew* and build a robot of your own, giving new life to pre-used materials.

Location:
Central Gallery

The Power of Change

Inventions and innovations change our lives. Investigate how life in Tasmania has changed over the last 100 years and add your invention ideas for the next 100.

Location:
Central Gallery

Thursday, 16 April

Trail, Backpacks and Toolkits

While you're at TMAG, make sure you also pick up a copy of **A Short Circuit: Art Trail**, which will take you on an exciting adventure through our exhibition *Things I Once Knew: The Art of Patrick Hall* in the Argyle Galleries.

You can also borrow a Discovery Backpack, Art Box or Museum Toolkit, filled with challenges, puzzles and hands-on tools. These are specially designed for children and their families to explore creative ways of engaging with the exhibitions.
